Chart In Museum of Mexico

Furnished Clue to Location of Aztec Cavern.

Mermosillos, Mex., Nov. 15-A remarkable story, duly authenticated, of the discovery of hidden Aztec treasure of fabulous value has just been reported to the government authorities at Tepic, by Pablo Mertino, the parish priest of Yesca.

A party of Americans headed by an archaeologist named Heverick, several weeks ago, by means of a chart, which Heverick claimed to have copied from an Aztec stone tablet in the national museum in the city of Mexico, located a vast cavern in a mountain near Yesen, Immense stone images stood about this chamber. In one end was a bandsome aftar, above which burned a bright flame, supplied by natural gas from a crevice in the wall. It has probably been burning for many centuries. In a chamber adjoining was found a great store of ornaments and utensils. Twelve burros were required to transport the articles to San Blas. where they were shipped to San Francisco, accompanied by the Americans. It is said to be the largest and most valuable collection of ancient relics ever discovered in Mexico. Such articles cannot be removed from Mexico without the consent of the government and an investigation is in progress.

or Walk.

"If it hadn't been for Dr. Miles' Remedies I would not be here to write this letter. Two years ago last June I lost the use of my left arm, could not use it and could only move it with the help of my right hand. My heart was so weak I could not sleep nights for smothering spells. I was out of sorts all over and could eat nothing. I grew so weak that I could not walk without staggering like a drunken man and my home doctor said he could do nothing for me. I was in so much pain I was almost wild. I could not take morphine nor opium as they made me worse. So I got to thinking about Dr. Miles' Heart Cure and Nervine and the more I thought about it the more I wanted to try them. I wrote to the Dr. Miles Medical Co. for advice which I followed to the letter. I can say today that I am glad I did as I am a well woman now; can work and can walk two or three miles and not mind it. I can also use my arm again as well as ever. You do not know how thankful I am for those grand medicines. Dr. Miles' New Heart Cure and Nervine. I think Dr. Miles' Remedies are the best in the world, and if I should get sick again I should take the same course. The remedies alto helped my daughter Vida so wonderfully that I should have written you before to thank you, but I wanted to be sure that the cure was permanent, which I now know to be the case."—Mrs. Frank Loomis, Allen, Mich.

PLACE YOUR WANT ADS. IN THE DEMOCRAT

Augusta, Ga., May 16, 1902. Takke pleasure in joining the large number of testators who have been cured through the use of Wine of Cardui. It is certainly a very remarkable curative agent, and while it is pleasant to take and mild in action it is very strong and positive in curative ability. Since early womanhood I suffered from extreme nervousness and seemed unusually sensitive to climatic changes. A slight cold or too great heat would upset me and headache and general indisposition would result. My stomach was easily upset and I would frequently have heartburn, sour stomach, and the heavy feeling you experience when you have indigestion. I was also irregular and had severe monthly pains, all of which showed me that I was entirely out of harmony with health. I naturally desired a change and doctored for several months, hoping for better health. I was however disappointed to find that the medicine is well worthy of full confidence and endorsement I am glad to give it both. Inlia Britton

Young women cannot too carefully guard the monthly function. Women as a rule look upon this great function of nature as a trouble instead of a blessing. They seldom consider that it relieves the body of poisonous wastes and that a suppressed or a scanty flow is invariably a forerunner of sickness. Because Wine of Cardui perfectly regulates the monthly function hundreds of thousands of women owe their lives to it. Wine of Cardui as a regulator of the monthly function not only purifies the blood but it relieves weak and nervous women of troubles which doctors not only did not cure but do not often diagnose correctly. In thousands of cases of so-called "debility," "nervousness" and "tired, worn out feeling" Wine of Cardui by regulating the menstrual flow, has proven the remedy that was needed. If your doctor is doing you no good, secure a bottle of Wine of Cardui and take it in your home. It will cure you but you will only be one woman among thousands with the same experience. Remember Wine of Cardui cured Miss Britton. Accept no other medicine as a substitute. Give Wine of Cardui a fair trial and health will be yours.
